

ALLIANCE ELEVATOR SOLUTIONS

April 2021

Job Title: Draftsmen – Entry Level

Job Description:

A growing commercial elevator manufacture is excited to announce a new position. Due to expansion Alliance Elevator Solutions (AES) is looking for a Draftsmen. This is an entry level position, and the qualified candidate must be a high-energy self-starter with a strong work ethic. This individual will need to be motivated by a competitive industry and be results, detail and team oriented.

Position's Duties and Responsibilities:

- Create in-house drawings utilizing template-based prints and working up to custom print drafting. >90% mechanical prints, <10% electrical
- Have the ability to provide instructions and effectively communicate with internal and external (supply chain) manufacturing.
- Annotate drawings for supplier prints based on recommendations from the customer and internal team members.
- Develop clear concise drawings for installation & construction.
- Complete redline corrections and additions as necessary on drawings following review.
- Participate in project meetings and conference calls as required.
- Work closely with engineering, sales, project management, and purchasing personnel on a daily basis.

Job Requirements: Qualifications:

- Understanding of computer-aided design software and previous drafting experience is absolutely required.
- Associates Degree or equivalent, minimum two-year college degree or **ample** experience in the construction industry.
- Strong technical and organizational skills
- Excellent communication skills
- Excellent problem-solving ability
- Attention to detail

Assessment testing, background checks, education verification and drug screens are required as a part of the recruitment process. Candidate must pass criminal background and drug test.
