

# Cabs & Fixtures

## Alliance Packages

### Alliance Packages:

In order to offer you the best complete elevator packages available, we have formed an alliance with some of the best in the business. This saves you time and money, while offering fully customizable and green products, made right here in the U.S.A.

#### SAVE TIME & MONEY

Cab panels fasten without bolts, allowing them to be installed in as little as 4 hours.

#### CUSTOMIZABLE

Unlimited customization options for all cabs & fixtures.

#### GREEN

Numerous energy efficient and environmentally conscious options available.

#### MADE IN THE USA

All products are American made.

# ADDITIONAL OPTIONS

## FIXTURES & CAB INTERIORS

### SURFACE MOUNT FIXTURE STYLES

**I-LINE® & Premier I-LINE®**  
Ideal for ADA and retrofit projects, these hinged fixtures offer quick installation and rapid service capabilities.  
  
The premier I-LINE® offers additional finishes and button styles.

### SWING FIXTURE STYLES

**Swing Return & Car Station Combination**  
A complete swing return and car station combined into an easy to install, one piece unit.  
  
As Shown:

- #4 Brushed 304 Stainless Steel
- Square Braille
- PB-1 push buttons

**Mini Swing Retrofit**  
Designed for direct OEM replacement, our mini swing retains the original back box, reducing installation time and field labor costs, and works with any controller.

### HALL STATIONS, LANTERNS & POSITION INDICATORS

Available in a variety of shapes and sizes, metal finishes, engraving, push button and illumination options; we have a design to fit your needs while meeting or exceeding standard and special building compliance codes.

#### Hall stations

#### Lanterns
